

Learn what to do to prepare in the event a storm approaches A white cloud with blue raindrops and a yellow lightning bolt.

Please join us on May 8, 2024 at 7:00pm

Coleman Community Building A yellow building with a red roof and a clock tower.

1204 N. Church St.

Presented by Sumter County Emergency Management Director David Casto

Topics to Discuss:

1. What to do before, during, and after a hurricane A blue circular icon with a white spiral in the center, representing a hurricane.
2. Making an emergency plan A red square icon with a white star in the center.
3. Building an emergency kit A white adhesive bandage with a yellow border.
4. How to stay informed in threatening conditions A black mobile phone icon with a grid of colorful dots on the screen.

The workshop will also teach essential prevention or mitigation strategies that you can do in your home to protect your household members and valuables.
